*AFT Michigan would like to thank
President Joe Biden, Vice President Kamala Harris
and Governor Gretchen Whitmer for keeping
our communities safe.*

Friends,

I want to extend a big thank you to everyone who helped flip the script in Michigan in 2020 and elect President Joe Biden, Vice President Kamala Harris, Senator Gary Peters and return seven of us to the House of Representatives. At long last, we have a Senate and White House to work with the House to deliver for the American people.

I'm more convinced than ever that our path to victory in 2022 and beyond depends on sustained, relational, grassroots organizing. So, to all of the precinct delegates, amazing volunteers, passionate activists and fellow Democrats participating in today's MDP Spring Convention from the 9th District and all across our two beautiful peninsulas – I'm excited and honored to join you in waging our shared fight for the bold change people so desperately need.

Let's go!

MICHIGAN DEMOCRATS!

Thank you to everyone who supported Democrats up and down the ballot in Michigan. Whether you chipped in, text banked, made phone calls, or safely canvassed, you made the difference in Michigan. These victories were not easy. What we achieved in Michigan took a lot of hard work and it couldn't have been done without you. Now, it's time for us to move forward, together, and fight for an agenda that will help all Americans.
