Section 1
Introduction & Description of Delegate Selection Process

A. Introduction

1. Michigan has a total of **139 delegates** and **10 alternates**. (DNC Call for the 2024 Democratic National Convention I & Appendix B)

2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* ("Rules"), the *Call for the 2024 Democratic National Convention* ("Call"), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* ("Regs."), the *Rules of the Michigan Democratic Party*, the Michigan Democratic Party’s *Rules for Voting & Elections*, the Michigan election code, and this Delegate Selection Plan. (Call II.A)

3. Following the adoption of this Delegate Selection Plan by the Michigan Democratic State Central Committee, it shall be submitted for review and approval by the DNC Rules and Bylaws Committee ("RBC"). The Chair of the Michigan Democratic Party shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the Chair of the Michigan Democratic Party and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (Reg. 2.5, Reg. 2.6 & Reg. 2.7)

4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the Michigan Democratic Party must be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

B. Description of Delegate Selection Process
1. Michigan will use a proportional representation system based on the results of a government–run Presidential Primary for apportioning delegates to the 2024 Democratic National Convention.

2. The “first determining step” of Michigan’s delegate selection process will occur on Tuesday, February 27, 2024 with a government–run Presidential Primary. This will be held in conjunction with the Michigan GOP Presidential Primary.

C. Voter Participation

1. Participation in Michigan’s delegate selection process is open to all voters who wish to participate as Democrats. (Rule 2.A and Rule 2.C.)
   a. To register to vote and cast a ballot in Michigan you must be:
      i. A resident of Michigan and the city or township where you are registering for at least 30 days prior to Election Day;
      ii. A citizen of the United States of America;
      iii. At least 17.5 years of age at the time of registration and 18 years of age by Election Day;
      iv. Not serving a sentence in jail or in prison.
   b. Eligible persons may register by mail by submitting an application that is postmarked at least 15 days before Election Day. Voter registration is also available online provided that the application is received at least 15 days before Election Day. Eligible persons may register in person at their city or township clerk’s office at any time, including during the 14 days prior to Election Day and on Election Day. Eligible persons may also register automatically when interacting with the state regarding driver’s license or state ID card.
   c. In order to vote in the February 27th, 2024 government–run Presidential Primary, a voter is required to indicate, in writing, on a form prescribed by the Secretary of State, which political party ballot they wish to vote
d. Pursuant to Michigan Election Law, voters are not required to declare a party affiliation as a prerequisite to participating in the government-run Presidential Primary. Voters must state the party primary they wish to participate in before receiving a ballot.

e. The Secretary of State compiles a list from municipal clerks that contains the printed name, address, and qualified voter file number of each elector and the political party ballot selected by that elector for the government-run Presidential Primary.

f. Within 71 days after the government-run Presidential Primary election, the Secretary of State shall make available to the public in an electronic format a file of the records for each political party.

g. At no stage of Michigan’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (Rule 2.D & Reg. 4.4)

h. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (Rule 2.E)

i. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as Democrats are eligible to do so. (Rule
2.F)

j. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. (Rule 3.E & Reg. 4.7)

2. Michigan is participating in the government-run Presidential Primary that will utilize government-run voting systems. The Michigan Democratic Party has taken or will take provable positive steps to:

   a. **Maintain secure and accurate state voter registration rolls, so that every eligible American who registers to vote has their personal information protected and secure;** (Rule 2.H.1)

   Security and accuracy of state voter registration rolls is particularly important to Michigan’s Democratic Secretary of State and the Michigan Democratic Party supports efforts from the Secretary of State to maintain and improve our Qualified Voter File (QVF). Michigan maintains limitations to QVF access to ensure privacy and participates in clean up of voter rolls every two (2) years (with provided 30 day notice).

   b. **Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls;** (Rule 2.H.2)

   The Michigan Secretary of State participates in QVF cleanup every two (2) years, ensuring to provide accurate notice to voters who may be removed from voter rolls. The Michigan Democratic Party attempts to contact each individual on the cancellation list to ensure no voter is incorrectly removed.

   c. **Promote the acquisition, maintenance, and regular replacement of precinct based optical scan voting systems;** (Rule 2.H.3)
The State of Michigan mandated the use of optical scan voting systems in 2002. The State of Michigan does not use DRE systems. In 2017, the State of Michigan entered into contracts with three election equipment and software vendors for new voting equipment. Each of Michigan's county clerks worked with their city and township clerks to select one of the three vendors. The new systems all use digital optical scan technology. Starting in the August 2018 statewide primary, Michigan cities and townships have been using the equipment which includes ballot tabulators, accessible devices for use by voters with disabilities (voter assistance terminals) and election management and reporting software. The Michigan Democratic Party supported the steps taken to replace older voting equipment which included receiving extensive feedback about the systems from local election officials and voting rights advocates across the State.

d. **Ensure that any direct recording electronic systems in place have a voter verified paper record; (Rule 2.H.4)**

e. Implement risk limiting post-election audits such as manual audits comparing paper records to electronic records; (Rule 2.H.5)

After every election, canvassing boards review election results at the county level. Once certified at the county level, the information is then sent to the state canvassing board to certify the election. Additionally, Michigan Election Law grants the SOS the authority to audit election precincts and to supervise county clerks during the election audit process. The 2022 Promote the Vote constitutional amendment (which the Michigan Democratic Party supported) places this authority in the state constitution (which currently grants voters the right to have the result of a statewide election audited), and requires the SOS to conduct these audits. The Constitution now requires audit methods to be established and publicized before an election, and all audits are conducted in public. Additionally, election officials have to maintain custody of all ballots and other election materials during the audit process, and any funding of the audit must be publicly disclosed.

f. Ensure that all voting systems have recognized security measures; (Rule 2.H.6)

Prior to each election, municipal clerks are required to perform public logic and accuracy testing on all election equipment. No equipment at voting locations, including ePollbooks and AutoMark VoterAssist Terminals, are connected to the internet.

g. Use accessible and secure voting machines that make it possible for individuals with disabilities to vote securely and privately, with votes verifiable by voters; (Rule 2.H.7)

The State of Michigan does not use wireless components and connections in the administering of elections. The State of Michigan does make available for use the AutoMark Voter Assist Terminal, a ballot-marking device for people with disabilities, in all precincts.
Additionally, voters with print disabilities may apply for an accessible electronic absent voter ballot that can be completed electronically, printed, and returned to the local clerk.

h. **Provide educational materials to enhance public knowledge and confidence in election administration and counter disinformation;** *(Rule 2.H.8)*

The Michigan Democratic Party has a year-round, fully-staffed, robust voter protection team that works constantly and consistently to provide information and education to voters in Michigan. In addition, the voter protection team works closely with local clerks to assess gaps in public knowledge and provide information as needed.

i. **Actively engaging with state and local officials to implement fair and honest election policies and practices; and (Rule 2.H.9)**

One of the primary functions of the Michigan Democratic Party Voter Protection team is to maintain regular relationships and communications with election officials. Through the Local Lead program, 80 identified priority city and township clerks’ offices are assigned a community volunteer to directly and regularly engage with local clerks. The Voter Protection team regularly works with elected officials at all levels through attending meetings, providing perspective on legislation, testifying at legislative committees, and working closely with liaisons from the legislature, the Secretary of State’s office, and the Governor’s office.

j. **Support adequate funding for state and local election administration.** *(Rule 2.H.10)*

The Michigan Democratic Party supports budgetary requests from the Secretary of State’s office and clerks for the running of elections. The Michigan Democratic Party is currently working with a coalition to lobby
the legislature regarding funding for expanded early vote. Following the passage of the 2022 Promote the Vote ballot measure (which the Michigan Democratic Party supported), counties, cities and townships are able to accept and use publicly disclosed charitable donations and contributions to conduct and administer elections.

3. In accordance with the Democratic Party’s requirement to assess and improve participation with respect to presidential preference and the delegate selection process, since 2018 the Michigan Democratic Party has established, with DNC assistance, a year-round voter protection program to support educational, administrative, legislative, and litigation-based efforts to protect and expand the vote and advance election fairness and security, including the goals set forth below. (Rule 2.I and 2.I.1)

   a. Expand access to voting, including by early voting, no excuse absentee voting, same-day voter registration, drop boxes and voting by mail; (Rule 2.I.1.a)

   Michigan voters approved ballot proposals in 2018 and 2022 that expanded and strengthened voting rights in Michigan, including early voting, no-excuse absentee voting, same-day voter registration, drop boxes, and voting by mail. The Michigan Democratic Party strongly supported the 2018 and 2022 proposals. Moreover, the Michigan Democratic Party has opposed any and all attempts to suppress these measures, whether by litigation or other means.

   b. Ensure that voting locations are accessible, fairly placed, and adequate in number, and have a sufficient number of voting machines; (Rule 2.I.1.b)

   Michigan law sets forth a number of requirements for the determination of election precincts, polling places, and the distribution of voting equipment and supplies. See MCL §§ 168.654–654a, 168.657–669, and 168.670–671. Additionally, the Michigan Democratic Party’s Voter
Protection team recruits, trains, and assigns poll observers who are present at voting locations during the 40-day early in-person absentee voting period prior to Election Day and on Election Day to identify any issues relating to, among other things, accessibility of voting locations, long lines, and the sufficiency and operability of voting machines and related equipment. The Voter Protection team also operates a Voter Assistance Hotline throughout the voting period to receive and respond to reports of voting issues including those identified above. Reports of voting issues, including inaccessible voting locations, long lines, and voting machine malfunctions, are promptly addressed by Voter Protection Department staff and boiler room volunteers. Further, following each election cycle, the Michigan Democratic Party’s Voter Protection team synthesizes the data recorded by poll observers and hotline volunteers. That data is harnessed by the Voter Protection team’s Local Lead (clerk liaison) Program to proactively engage city and township clerks between elections to advocate for improvements in the adequacy, accessibility, and fair placement of voting locations and the deployment of sufficient voting machines and equipment.

c. **Speed up the voting process and minimize long lines; (Rule 2.1.1.c)**

While Michigan law allows for same-day voter registration, including on Election Day, the Michigan Democratic Party actively engages in voter registration efforts prior to Election Day in order to reduce the potential for long lines that are attributable to large numbers of new registrants. Additionally, the Michigan Democratic Party’s Voter Protection team recruits, trains, and assigns poll observers who are present at voting locations during the 40-day early in-person absentee voting period prior to Election Day and on Election Day to identify any issues relating to, among other things, accessibility of voting locations, long lines, and the sufficiency and operability of voting machines and related equipment. The Voter Protection team also operates a Voter Assistance Hotline throughout the voting period to receive and respond to reports of voting issues including those identified above. Reports of voting
issues, including inaccessible voting locations, long lines, and voting machine malfunctions, are promptly addressed by Voter Protection team staff and boiler room volunteers. Further, following each election cycle, the Michigan Democratic Party’s Voter Protection team synthesizes the data recorded by poll observers and hotline volunteers. That data is harnessed by the Voter Protection team’s Local Lead (clerk liaison) Program to proactively engage city and township clerks between elections to advocate for improvements in the adequacy, accessibility, and fair placement of voting locations and the deployment of sufficient voting machines and equipment, all of which reduce the likelihood of long lines at voting locations.

d. **Eliminate onerous and discriminatory voter identification requirements;** (Rule 2.I.1.d)

In 2022, Michigan voters passed a ballot proposal amending the state constitution to give every voter the constitutional right to verify their identity for voting purposes by providing photo identification or signing a sworn statement. Additionally, prior to the elections in 2020 and 2022, the Michigan Democratic Party’s Voter Protection team delivered a letter to every city and township clerk stating that tribal identification cards are an acceptable form of photo identification under Michigan law and citing the relevant statutes to proactively address this issue, which is commonly experienced by Native American voters. Moreover, the Voter Protection team’s Voter Assistance Hotline’s multilingual support included a line for Native Americans.

e. **Count and include in the final total ballots from voters who are eligible to vote but cast their ballots in the wrong precinct, for offices for which they are eligible to vote; and** (Rule 2.I.1.e)

Issues related to voters mistakenly attempting to vote in the wrong precinct are generally addressed by same-day voter registration. To prevent ballot rejections based on outdated voter registration
addresses, prior to the 2022 General Election, the Michigan Democratic Party’s Voter Protection team called voters whose ballots were rejected due to address issues in 2021 or the May or August elections in 2022.

f. **Facilitate military and overseas voting. (Rule 2.1.1.f)**

In 2022, Michigan voters passed a ballot proposal amending the state constitution to require that ballots from service members and overseas voters be counted if the ballot is postmarked by Election Day. The Michigan Democratic Party has always supported and advocated for legislation to expand military and overseas voting, including supporting pending Senate Bill 177 (Wojno) and House Bill 4210 (Glanville). Furthermore, through its Local Lead (clerk liaison) Program, the Michigan Democratic Party’s Voter Protection Department actively monitors whether city and township clerks have mailed military and overseas ballots by the MOVE deadline.

g. **Increase knowledge of voter dates and deadlines.**

In each election cycle, the Michigan Democratic Party’s voter education and get out the vote efforts include communicating key election dates and deadlines such as those related to ballot access and voter registration through the Party’s website, social media accounts, and direct mail. Further, in order to facilitate voting by mail and avoid untimely ballot delivery, the Michigan Democratic Party advises voters who wish to conduct any voting related transactions by mail to do so no later than two weeks before Election Day.

4. As part of encouraging participation in the delegate selection process by registered voters, the Michigan Democratic Party is supporting efforts to make voter registration easier, including supporting: (Rule 2.1.2)
a. **Voter registration modernization, including online voter registration and automatic and same-day registration; (Rule 2.I.2.a)**

A successful constitutional amendment in 2018, supported by the Michigan Democratic Party, gave Michigan voters the right to same-day voter registration up to and including on Election Day. Additionally, it provided automatic registration of citizens to vote at Secretary of State branch offices. Automatic registration began in September of 2019 and specifically requires Secretary of State branch offices to ensure that when Michigan citizens apply for or update their driver’s license or personal ID cards, they automatically are registered to vote unless they decline. Democratic Michigan Secretary of State, Jocelyn Benson, initiated online voter registration in time for the November 2019 election.

b. **Pre-registration of high school students so that they are already registered once they reach voting age; (Rule 2.I.2.b)**

Under Michigan law, a person may register to vote once they are 17.5 years of age. The Michigan Democratic Party is actively advocating for the expansion of pre-registration.

c. **Restoration of voting rights to all people who have served the time for their criminal conviction, without requiring the payment of court fees or fines; and (Rule 2.I.2.c)**

Michigan law does not require that a person who has completed their sentence for a criminal conviction must pay court fees or fines to restore their voting rights. See MCL 168.758b.

d. **Same-day or automatic registration of voters for the Democratic presidential nominating process. (Rule 2.I.2.d)**

As indicated in previous answers (see I.C.4.a), Michigan allows for same-day voter registration up to and including on Election Day.
5. Michigan does not require voters to declare a party affiliation as a prerequisite to participating in the government-run Presidential Primary thus allowing voters to “switch” their affiliation up to and including election day. The Michigan Democratic Party continues to work to ensure an open and inclusive election process, as demonstrated through previous answers in this plan.

6. Scheduling of Delegate Selection Meetings

The dates, times, and places for all official Party meetings and events related to Michigan’s delegate selection process have been scheduled to encourage the participation of all Democrats. Such meetings will begin and end at reasonable hours. The Michigan Democratic Party is responsible for selecting the dates and times and locating and confirming the availability of publicly accessible facilities for all official meetings and events related to the process.

The Michigan Democratic Party will consider any religious observations that could significantly affect participation.
A. Ballot Access

A Presidential Candidate gains access to the Michigan government-run Presidential Primary ballot by the following:

1. Not later than **4 PM on November 10, 2023**, the Secretary of State shall issue a list of the individuals generally advocated by the national news media to be potential presidential candidates for each party’s nomination by the political parties for which a presidential primary election will be held. The Secretary of State shall make the list issued under this subsection available to the public on an Internet website maintained by the Department of State.

2. Not later than **4 PM on November 14, 2023** the Chair of the Michigan Democratic Party shall file with the Secretary of State a list of individuals whom they consider to be potential presidential candidates for that political party. It is the Michigan Democratic Party’s intent to include all widely recognized, legitimate candidates who meet the requirements of Rule 13. K of the Rules and Article VI of the DNC Call to Convention. The Secretary of State shall make the lists received under this subsection available to the public on an Internet website maintained by the Department of State.

3. After the issuance of the list under subsection (1) and after receipt of names from the state chair of each political party under subsection (2), the Secretary of State shall notify each potential presidential candidate on the lists of the provisions of this act relating to the presidential primary election.

4. There are no filing fees or petition requirements for candidates that qualify under subsection (1) or (2).

5. The name of an individual who is not listed as a potential presidential candidate in accordance with subsection (1) or (2) shall be printed on the ballot for the appropriate political party for the presidential primary election if
they file a nominating petition with the secretary of state no later than 4 PM December 8, 2023. The nominating petition shall contain valid signatures of registered and qualified electors equal to not less than 1/2 of 1% of the total votes cast for Joseph R. Biden in the 2020 General Election, or 14,020 signatures. A signature on a nominating petition is not valid if obtained before October 1, 2023. (MCL 168.615a)

6. Michigan election law has no provisions for write-in candidates or an “uncommitted” designation on the presidential primary ballot

B. Other Requirements

1. Each presidential candidate shall certify in writing to the Chair of the Michigan Democratic Party, the name(s) of their authorized representative(s) by November 1, 2023. (Rule 13.D.1)

2. Each presidential candidate shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach and inclusion goals established by this Plan and is equally divided between men and women. (Rule 6.I)
Section 3
Selection of Delegates and Alternates

A. District-Level Delegates

1. Michigan is allocated 77 district-level delegates. Michigan is allocated 10 alternate delegates. All 10 alternate delegates will be selected At-Large. (Rule 8.C, Call I.B, I.I, & Appendix B)

2. District-level delegates shall be apportioned based on the results of a government-run Presidential Primary followed by a post-primary convention.
   a. The February 27, 2024 Michigan government-run Presidential Primary will determine the number of delegates allotted to a presidential candidate at all levels of the Michigan Democratic Party delegate selection process, except for the Democratic National Committee Members, Members of Congress, and Distinguished Party Leaders in their respective automatic categories.
   b. District-level delegates shall be elected by congressional district conventions held on Saturday, May 11, 2024. Each congressional district party shall be responsible for providing facilities for the delegate selection meetings.

3. Apportionment of District-Level Delegates and Alternates
   a. Michigan’s district-level delegates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2020 presidential and the 2022 gubernatorial elections. This method was chosen as it is an unbiased assessment of our Democratic electorate and allows for the use of statewide election results from the most recent 2 even-year general elections. (Rule 8.A, Reg. 4.12, Reg. 4.11 & Appendix A)
b. The number of men and the number of women in Michigan’s total number of district-level delegates will not vary by more than one. (Rule 6.C.1 & Reg. 4.9)

c. The district-level delegates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates:

4. District-Level Delegate and Alternate Filing Requirements

a. A district-level delegate candidate may run for election only within the district in which they are registered to vote. (Rule 13.H)
b. An individual can qualify as a candidate to be a district-level delegate from Michigan to the 2024 Democratic National Convention by joining the Michigan Democratic Party and by filing a statement of candidacy designating their singular presidential preference and a signed pledge of support for the presidential candidate with the Michigan Democratic Party by **5 pm on April 11, 2024** at 606 Townsend, Lansing, MI 48933. An individual can join the Party by completing an application and submitting it by hand-delivery, mail, e-mail or at the Party’s website. Any statement of candidacy or membership received after the deadline, regardless of the reason, will not meet this qualification. A delegate or alternate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline.

5. Presidential Candidate Right of Review for District-Level Delegates

a. The Chair of the Michigan Democratic Party shall convey to the presidential candidate, or that candidate’s authorized representative(s), no later than **5 PM on April 15, 2024**, a list of all persons who have filed for district-level delegate pledged to that presidential candidate. (Rule 13.D & Rule 13.F)

b. Each presidential candidate, or that candidate’s authorized representative(s), must then file with the Chair of the Michigan Democratic Party by **5 PM on April 22, 2024**, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) separate individuals for each alternate position to be selected. (Rule 13.E.1, Reg. 4.23 & Reg. 4.24)

c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the Chair of the Democratic Party not later than **5**
PM on April 22, 2024.

d. National convention delegate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate’s authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. (Rule 13.E & Reg. 4.23)

e. The Chair of the Michigan Democratic Party shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates as indicated in Section III.A.5.b of this Plan. (Rule 6.I & Reg.4.10.C)

6. Fair Reflection of Presidential Preference

a. The Michigan government-run Presidential Primary election is a “binding” primary. Accordingly, delegate positions shall be allocated so as to fairly reflect the expressed presidential preference of the primary voters in each district. The National Convention delegates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. (Rule 14.F)

c. The presidential preference of the pledged delegates and alternates to be elected at the district level will be determined by the results of the
February 27, 2024 government-run Presidential Primary.

i. The Chair of the Michigan Democratic Party shall notify each district chair by April 5, 2024 of the delegate allocation by presidential candidate for each district.

ii. In making the allocation, the Chair of the Michigan Democratic Party shall follow the following guidelines:

1. Tabulate the percentage of the vote that each presidential candidate receives in the congressional district to three decimals.

2. Re-tabulate the percentage of the vote to three decimals, received by each presidential candidate excluding the votes of presidential candidate(s) whose percentage in "(1)" falls below 15%.

3. Multiply the number of delegates to be allocated by the percentage received by each presidential candidate as calculated in "(2)".

4. Delegates shall be allocated to each presidential candidate based on the whole numbers that result from the multiplication in "(3)".

5. Remaining delegates, if any, shall be awarded in order of the highest fractional remainders in "(3)".

7. Congressional District Conventions

a. District Conventions of enrolled Democrats will be held in each of Michigan’s congressional districts on Saturday, May 11, 2024.
b. The Chair of the Michigan Democratic Party shall certify to the district chair the names of those enrolled Democrats for each district by **5:00 pm on April 26, 2024.**

c. Enrolled Democrats shall be the only persons eligible to participate in the district conventions. Enrolled Democrats include only the following:

i. Precinct delegates who were duly elected at the primary election held August 2, 2022 and Democratic elected officials as set forth in Michigan Democratic Party Rules. In order to vote at the district conventions, these persons must be members of the Michigan Democratic Party on or before **May 11, 2024.** They may become members that day when they register at the district conventions.

ii. Members of the Michigan Democratic Party at least thirty (30) days prior to **May 11, 2024,** or by **April 11, 2024.** Individuals whose memberships expire inside the 30 day window are eligible to participate if they renew on or before **May 11, 2024.**

iii. Enrolled Democrats will be presumed to be registered Michigan voters, or will reach 18 years of age and register to vote in Michigan for the **November 5, 2024** General Election.

iv. Any eligible person may become a member of the Michigan Democratic Party, and there exists no requirement for any financial contribution to the Party in order to join.

d. The agenda for District Conventions shall be as follows:

i. Registration of Enrolled Democrats. In order to register, each enrolled Democrat shall sign a statement of support for their presidential candidate indicating the county in which they are registered to vote and submit it to the Credentials Committee.
ii. Call to order by duly elected congressional district chair (or
designee) serving as permanent chair

iii. Appointment of permanent secretary by permanent chair

iv. Report of the Convention Credentials Committee

1. The Credentials Committee shall report the number of
registered, enrolled Democrats expressing each
presidential preference both in aggregate numbers and
for each county or part of a county within the
congressional district.

2. Upon adoption of the Credentials Committee report, no
further registration shall be permitted.

v. Report of the Convention Rules Committee

1. A county’s or portion of a county’s “State Allocation of
Delegate Votes” shall be used to determine the number of
votes each county or portion of a county shall cast in each
of the presidential caucuses within the district.

2. The Rules Committee report shall contain the allocation of
delegates according to gender identity among the
presidential candidates. The allocation shall be provided
by the Chair of the Michigan Democratic Party to the chair
of each congressional district no later than April 5, 2024. In
assigning the delegate and alternate positions by gender
identity the following guidelines shall be followed by the
Chair of the Michigan Democratic Party:

   a. The allocation shall start with the positions
      allocated to the presidential candidate receiving
the largest number of votes in the district and then continue by alternating between the male and female delegate positions allocated to the other presidential candidates in declining order according to the number of votes received for each presidential candidate in the congressional district. The first delegate position shall be allocated to a male, unless there are more female delegates to be elected, in which case the first delegate position shall be allocated to a female.

vi. Recess into Presidential Caucus. After the Rules Committee report, the convention shall recess into separate caucuses of each presidential candidate pursuant to their signed statement of support for the purposes of electing their respective delegates.

1. Election of permanent presidential caucus chair: Each presidential candidate (or designee) shall appoint a temporary chair of the presidential caucus for the purpose of calling the caucus to order and presiding during the election of a permanent caucus chair, who shall be from that district.

2. Election of delegates

   a. The district chair shall provide each presidential caucus with a list of those individuals approved by its presidential candidate for nomination as delegates.

   b. All such individuals’ names shall be read to the presidential caucus by the duly elected presidential caucus chair and shall be considered nominated when their names are read. No other names shall be
accepted.

c. In the voting in each presidential caucus, each county or portion of a county within a district shall cast its full-allocated number of votes according to the Report of the Rules Committee by the vote of the delegates from that county or portion of a county only. No county or portion of a county shall be deprived of its total vote unless there are no delegates present from that county or portion of a county in that presidential caucus. Therefore, if the actual number of delegates is less or more than their allocated number of votes, the total shall be prorated to the votes allocated to that county or portion of a county by the Report of the Rules Committee.

vii. Reconvening of Convention

1. At the conclusion of each of the presidential caucuses, each presidential caucus chair shall report the results of the election to the permanent convention chair.

2. The results of the election shall be read to the convention as a whole and any challenge to those results shall be announced at the same time either by the permanent convention chair or by a member of the presidential caucus whose results are being challenged.

viii. Adjournment. Immediately upon adjournment of each district convention, the district chair and secretary shall certify to the Chair of the Michigan Democratic Party the results of the election of delegates, noting any challenges.

i. No less than forty percent (40%) of the enrolled Democrats registering at the district convention constitute a quorum for any business pertaining to the selection of delegates.

ii. No proxies may be used.

iii. The unit rule, or any rules or practice whereby all members of a party unit, delegation or caucus may be required to cast their votes in accordance with the will of a majority of the body, shall not be permitted.

iv. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may by virtue of such endorsement, receive preferential treatment or a preferential place on a delegate selection ballot or be publicly identified as the "official" slate, and all slates must meet identical qualifying requirements for appearing on the ballot.

8. Equal Division of District-Level Delegates and Alternates

a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender identity of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)
b. Following the results of the February 27th, 2024 government-run Presidential Primary, the Michigan Democratic Party will allocate delegate positions to each presidential preference who is entitled to receive delegates in the congressional district (cite the math).

c. Presidential candidates entitled to an even number of delegates in a congressional district shall have those delegates be equally allocated by gender identity. Candidates receiving an odd number of delegates shall have gender identity allocated in such a way so that the number of men and the number of women does not vary by more than one. Gender non-binary delegates shall not be counted as either men or women, and the remainder of the delegation for that candidate in that district shall be as equally divided by gender identity as possible.

d. The gender identity of the first position for delegates allocated to a presidential candidate within a congressional district shall be assigned in order of votes won, alternating by gender identity. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total allocation of delegates.

(Call VII.C.1 & Reg. 5.9)

b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Michigan. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (Call VII.C.2)

(Call VII.C.3)

d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of

(Rule 6.1 & Reg. 4.10)

requirements;

i. A separate election shall be conducted for membership on each standing committee.

ii. The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee and among the three committees in aggregate shall not exceed one. (Call VII.E.2)

4. The Michigan Democratic Party, on all levels, should support the broadest possible registration without discrimination based on “status.” (Rule 4.B.4)
5. The Michigan Democratic Party should publicize fully and in such a manner as to assure notice to all interested parties a full description of the legal and practical procedures for selection of Democratic Party officers and representatives on all levels. As part of this, the Michigan Democratic Party should develop a strategy to provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (Rule 4.B.5)

6. The Michigan Democratic Party should publicize fully and in such a manner as to assure notice to all interested parties, a complete description of the legal and practical qualifications of all positions as officers and representatives of the Michigan Democratic Party. C. Michigan’s delegation shall be equally divided between delegate men and delegate women, and alternate men and alternate women, i.e. the number of men and women shall not vary by more than one. Such a goal applies to the entire delegation, which includes all pledged delegates and alternates and all automatic delegates. Delegates and alternates shall be considered separate groups for purposes of achieving equal division as determined by gender self-identification. In the case of gender non-binary delegates or alternates, they
shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided by gender identity. (Rule 6.C)

I. An accredited participant in a caucus, convention or committee meeting, after having established credentials, may register a non-transferable proxy with (i.e., deliver a signed proxy to) another duly accredited participant at that meeting (except where an accredited alternate is present and eligible to serve as a replacement), provided that no individual may hold more than one (1) proxy at a time. (Rule 17 & Reg. 4.30)
J. The unit rule, or any rule or practice whereby all members of a Party unit or delegation may be required to cast their votes in accordance with the will of a majority of the body, shall not be used at any stage of the delegate selection process. (Rule 18.A)

K. Any individual or group of Democrats may sponsor or endorse a slate of candidates for convention delegates. But no slate may, by virtue of such endorsement, receive a preferential place on a delegate selection ballot or be publicly identified on the ballot as the official Democratic Party organization slate, and all slates must meet identical qualifying requirements for appearing on a ballot at all levels of the delegate selection process. (Rule 18.B)

L. All steps in the delegate selection process, except the filing of presidential candidates as allowed by rule 15.D, must take place within the calendar year of the Democratic National Convention, except with respect to the implementation of the Affirmative Action Plan and Outreach and Inclusion Programs or as otherwise allowed. (Rule 1.F & Rule 12.B)

A challenge to the status of the Michigan Democratic State Central Committee as the body entitled to sponsor a delegation from that State shall be filed with the Rules and Bylaws Committee not later than 30 calendar days prior to the initiation of the state’s delegate selection process. (Rule 21.A & Reg. 3.4.A)

2. A challenge to the state’s Delegate Selection Plan shall be filed with the Chair of the Michigan Democratic Party and the Co-Chairs of the Rules and Bylaws Committee within 15 calendar days after the adoption of the Plan by the State Party. (Reg. 3.4.B)

3. A challenge to a Plan must be brought in conformity with the Rules and the RBC Regulations, which should be consulted for a detailed explanation of challenge procedures.

C. Challenges to Implementation

1. A challenge may be brought alleging that a specific requirement of an approved Plan has not been properly implemented. Jurisdiction over all challenges initiated in a timely fashion shall reside with either the Rules and Bylaws Committee or the Credentials Committee of the National Convention
(See Section VII.A. above). However, the Rules and Bylaws Committee may provide advice, assistance or interpretations of the Delegate Selection Rules at any stage of the delegate selection process. (Reg. 3.1.C)

2. An implementation challenge brought before the Rules and Bylaws Committee is initiated by filing a written challenge with the Michigan Democratic State Central Committee and with the Rules and Bylaws Committee not later than 15 days after the alleged violation occurred. The Michigan Democratic Party has 21 days to render a decision. Within ten (10) days of the decision, any party to the challenge may appeal it to the Rules and Bylaws Committee. If in fact, the Michigan Democratic Party renders no decision, any party to the challenge may request the Rules and Bylaws Committee to process it. The request must be made within ten (10) days after expiration of the above 21-day period. (Reg. 3.4.C, Reg. 3.4.E & Reg. 3.4.H)

3. Performance under an approved Affirmative Action Plan and Outreach and Inclusion Program and composition of the convention delegation shall be considered relevant evidence in the challenge to any state delegation. If a State Party has adopted and implemented an approved affirmative action program, the State Party shall not be subject to challenge based solely on delegation composition or primary results. (Rule 6.B) The procedures are the same for challenges alleging failure to properly implement the Affirmative Action Plan and Outreach and Inclusion Programs of a Plan, except that such challenges must be filed not later than 30 days prior to the initiation of the state’s delegate selection process. (Reg. 3.4.C)

4. Depending on the appropriate jurisdiction, implementation challenges must be brought in conformity with the Regulations of the Rules and Bylaws Committee or the Rules of Procedure of the Credentials Committee, which should be consulted for a detailed explanation of challenge procedures.
